

Dear RTC CUP participants,

We invite you to the main, national stage of the competition – the RTC Cup: Final!

This year we will hold the competition in person, as planned. All finalists and their leaders will be paid for tickets, room and board.

You can find the list of finalists on our website (cup.rtc.ru)

This year we decided to give a chance to participants who did not take prizes, but want to get to the Final. Therefore, any participant of this year can fill out the registration form.

The panel of judges will select the best entries based on the submitted materials. Do not miss your chance!

Competition topic: extreme rescue robotics

Language: Russian

Location:

Now we are considering three cities: St. Petersburg, Tyumen and Anapa. When registering, please indicate your preferred city!
